The template features a central heart shape with a dark blue outline. Six lines radiate from the heart to connect it to six separate text boxes. Each text box is a rounded rectangle with a light gray header and a white body containing horizontal lines for writing. The text boxes are positioned as follows: one above the heart, one to the left, one to the right, one below-left, and one below-right. The background is decorated with large, soft-edged shapes in shades of green, purple, blue, and pink.
